Please ensure that you have read the Confidential Offering Memorandum and Declaration of Trust prior to your completion of the Subscription Documents. (the “Manager”) (and not through another dealer, or through another adviser with full discretionary authority), the Manager must determine whether the Units are a suitable investment for the Subscriber having regard to the Subscriber’s investment needs and objectives, his or her financial circumstances and risk tolerances. To this end, the Subscriber must complete **Schedule “C”**, unless Schedule “D” is applicable and completed. The Manager must also collect additional information under anti-money laundering and anti-terrorism legislation. For these purposes, the Subscriber must complete **Schedule “E”** (if applicable) and **Schedule “F”**. Finally, information (referred to as “relationship disclosure information”) regarding the nature of the relationship between the Manager and such a Subscriber, the operating charges and transaction charges charged by the Manager to the Subscriber or the Fund, and the obligations of the Manager to the Subscriber, among other things, is contained in **Schedule “J”**.

All Subscribers that are “**permitted clients**” and who do not wish to complete Schedule “C” must complete **Schedule “D”** (unless the Manager is otherwise exempt from determining suitability – see Schedule “C”).

JOINT ACCOUNT HOLDERS: Each individual account holder must complete pages **S-6** and **S-7** and all applicable Schedules, as well as the appropriate Declaration of Tax Residence Form.

2. Brokerage Account

In order to safeguard your investment, we have arranged for all client accounts to be held through National Bank Independent Network (NBIN) who will provide you with a monthly account statement. Please complete the NBIN Client Application Form that we will provide to you.

3. Account Funding

You may fund your account to settle your subscription by way of a cheque or a transfer-in from an existing brokerage account. If you are using a cheque, it should be made payable to “NBIN”. If you are transferring funds from an existing brokerage account to fund your subscription, please contact us for a copy of the applicable forms. You will need to ensure that you have cash in your existing account in the amount equal to your subscription amount. Once transferred, the cash in your new NBIN account will be used to purchase Units in the Fund as per the instructions in your Subscription Agreement.

Please submit all completed forms to our office at the address below or contact us to answer any questions that you may have regarding the completion of the forms.

The CRA will then exchange the information with the U.S. Internal Revenue Service pursuant to the provisions of the IGA.

In addition, to meet the objectives of the Organization for Economic Co-operation and Development Common Reporting Standard (the “CRS”), the Fund and the Manager may be required under Canadian legislation to identify and report to the CRA details and certain financial information relating to Unitholders in the Fund who are residents for tax purposes in a country outside of Canada and the U.S. that has adopted the CRS. The CRA will then provide that information to the tax authorities of the relevant jurisdiction that has adopted the CRS. To this end, all Subscribers must provide the appropriate **Declaration of Tax Residence Form**, and will provide an updated form upon reasonable request by the Manager. The Subscriber acknowledges that if the Manager is required to report information to the CRA in connection with the Subscriber’s investment in the Fund, such report shall not be treated as a breach of any restriction upon the disclosure of information that may be imposed by Canadian law or otherwise.

Consent to Electronic Delivery

Securities legislation permits the Fund to deliver some documents by electronic means if the Subscriber provides consent. The Subscriber acknowledges that it is entitled to receive annual and interim financial statements of the Fund and may receive other information about the Fund from the Manager. Any signatory signing on behalf of the Subscriber as agent or otherwise represents and warrants that such signatory has authority to bind the Subscriber and agrees to indemnify each of the Fund and the Manager against all losses, claims, costs, expenses and damages or liabilities which it may suffer or incur or cause arising from the reliance on such representation and warranty. The covenants, representations and warranties contained herein shall survive the closing of the transactions contemplated hereby. SCHEDULE “H” PRIVACY POLICY

The federal *Personal Information Protection and Electronic Documents Act* (PIPEDA) and similar provincial and territorial privacy legislation requires informed consent by an individual to the collection, use or disclosure of his or her personal information. This policy explains the collection, use and disclosure of an investor’s personal information by the Manager.

“**Personal Information**” is defined as information about an “identifiable individual”. This includes such things as age, weight, height, medical records, income, education, home address and phone number. It does not cover general contact information such as name, title, business address, business phone number...etc. Under the European Union’s General Data Protection Regulation (GDPR), personal information also includes your email and IP addresses.

Information that GreensKeeper has collected for completion of this subscription agreement and related documents is subject to the requirements of PIPEDA, GDPR and similar privacy legislation. GreensKeeper recognizes the importance of privacy and recognizes the sensitivity of personal information received by it in the conduct of its business. This policy has been prepared with this objective in mind.

Why is personal information collected?

A Subscriber’s personal information will be collected to the extent necessary to administer the Fund and to meet regulatory requirements set by the securities regulators.

What personal information is collected?

Relevant personal and financial information is collected through account opening forms, a Subscriber’s transactions with us and our affiliates and meetings and telephone conversations with Subscribers. The information collected includes the Subscriber’s name, date of birth, social insurance number, residential address, employment information, banking information, annual income, net worth etc.

PIPEDA provides that an individual is deemed to consent to the collection, use or disclosure of personal information about that individual for a particular purpose if the individual voluntarily provides the information for that purpose, and it is reasonable that a person would voluntarily provide that information.

By transacting through GreensKeeper, we consider that you have consented to our collection, use or disclosure of personal information as necessary, to properly represent you in these financial and investment matters.

Where necessary to fulfil our regulatory obligations, we may collect personal information about individuals other than our clients in accordance with the provisions of PIPEDA.

When we collect personal information about individuals directly from them, except in situations when their consent to the collection is deemed, we will advise them of the purpose for which the information is collected.

Obtaining consent from the individual after disclosure of the purpose for which the personal information is collected, used and disclosed, is a key element of PIPEDA. However, this obligation is not absolute. PIPEDA also permits us to collect, use or disclose personal information about an individual in some circumstances without the individual’s consent. Such circumstances include (but are not limited) to where:

- the collection, use or disclosure is clearly in the interests of the individual and consent cannot be obtained in a timely way;
- the collection, use, or disclosure is reasonable for the purposes of an investigation or proceeding;
- the personal information is available to the public from a prescribed source; or
- the collection, use, or disclosure is required or authorized by a Federal or Provincial statute or regulation.

When we collect, use or disclose personal information, we will make reasonable efforts to ensure that it is accurate and complete. PIPEDA also allows us, for legal or business purposes, to retain personal information for as long as is reasonable, but also imposes obligations upon us to ensure that procedures are in place to destroy the personal information when it is no longer required.

We use a third-party vendor (MailChimp) to deliver our quarterly Scorecard newsletters and related materials and to manage our website (e.g. Google Analytics). The internet comes with a footprint. Web servers may automatically capture information from visitors to our website including the name of the domain and host from which you access

the internet, the internet address of the site from which you enter our website, the pages you visit on our website and the amount of time you spend on our website. This visitor information may be used to improve our website. We use this information to deliver services, personalize our website for you and enable your access. When you sign up for the newsletter on our distribution list, you provide your name and email address and provide explicit consent for us to collect this personal information to do so. We will never sell your email address or name and you can unsubscribe from our distribution list at any time. GreensKeeper may have additional legitimate interests, including account maintenance and administrative purposes, for the collection of the above listed personal information.

What is the personal information used for?

Personal information collected from a Subscriber is used to establish the Subscriber's account, to give Subscribers the best possible service, to allow us to establish a Subscriber's identity, to protect us from error and fraud and to comply with Canadian laws and execute transactions in the Subscriber's account.

Who has access to the personal information?

A Subscriber's personal information may be shared with third parties to administer the Fund and to comply with applicable legislation. Securities legislation requires that the Fund provide regulators with access to personal information of clients, employees, agents, directors, or officers of the firm. They collect, use or disclose such personal information for regulatory purposes including, surveillance of trading-related activity, audits, investigation of potential regulatory and statutory violations, regulatory databases, enforcement or disciplinary proceedings, reporting and information sharing with other securities regulators. Certain information is also required to be provided to taxation and other regulatory authorities and agencies. The Fund also relies on third-party service providers to provide fund administration and in this role such third-parties will have access to Subscribers' personal information.

How is the personal information kept?

We seek to carefully safeguard Subscribers' private information, and to that end, restrict access to personal information about Subscribers to those employees and other persons who need to know the information to enable us to provide services to Subscribers. Each employee of the Manager is responsible for ensuring the confidentiality of all personal information they may access and to comply with all applicable privacy legislation.

Subscribers' personal information is maintained on our networks or on the networks of our service providers and is accessible at 2010 Winston Park Drive, Suite 200, Oakville, Ontario L6H 5R7. Personal information may also be stored on a secure off-site storage facility. A Subscriber may access his/her personal information to verify its accuracy, to withdraw your consent to any of the foregoing collections, uses and/or disclosures being made of your personal information and you may update your information by contacting the Manager at the following number: 905.827.1179 or email address: michael@greenskeeper.ca. Please note that your ability to invest in and participate in our Funds may be impacted should you withdraw your consent to the collection, use and disclosure of your personal information as outlined above. A Subscriber's execution of the Subscription Agreement evidences the Subscriber's consent to the collection, use and disclosure of the Subscriber's personal information as described above.

RELATIONSHIP DISCLOSURE INFORMATION

[This information is provided for Subscribers resident in Ontario who purchase their Units directly from the Manager.]

Background and Custody Arrangements

GreensKeeper Asset Management Inc. (“**GreensKeeper**”) is registered as a portfolio manager, exempt market dealer and investment fund manager in the province of Ontario. GreensKeeper currently offers Portfolio Management Services to the GreensKeeper Value Fund (the “**GreensKeeper Value Fund**”) and certain other managed accounts (the GreensKeeper Value Fund and each other managed account referred to as a “**client**”). GreensKeeper is required to manage portfolios based on the offering documents of each fund or the investment management agreement (IMA) pertaining to the managed account, as the case may be. GreensKeeper selects securities that it believes suit the investment objective of each portfolio. Depending on whether you retain us as a portfolio manager or as an exempt market dealer, other important information you need to know about your relationship with us is contained in other documents that are provided to you as a client, such as any investment management agreement or other similar agreement that we enter into with you, any subscription agreement that you complete if you subscribe for securities of our funds (as defined below), the offering memorandum or other disclosure document that you receive if you purchase securities of our funds, and the account opening forms, periodic account statements and updates about changes to information that will be provided to you from time to time.

The assets of each portfolio are held with an independent custodian / broker in a segregated account in the client’s name. The independent and qualified Canadian custodian is National Bank Independent Network (NBIN), a subsidiary of National Bank of Canada, located at 130 King Street West, Suite 3000, Toronto, Ontario, M5X 1J9. Clients of GreensKeeper authorize us to trade in securities at NBIN on their behalf. Client accounts at NBIN are eligible for coverage under the Canadian Investor Protection Fund (CIPF) within specified limits. A small amount of cash of the GreensKeeper Value Fund used to pay fund expenses is held in a segregated cash (in trust) account with the Bank of Nova Scotia, 158 Lakeshore Road East, Mississauga, Ontario L5G 1E9.

I) The Products and Services We Offer

As an exempt market dealer, we offer dealer services to clients resident in Ontario who purchase securities of our funds directly from us. As an exempt market dealer, we will only trade in securities distributed under a prospectus exemption (for example, to “accredited investors” within the meaning of applicable securities laws).

As a portfolio manager, we offer investment management services through investment funds created and managed by us, investment funds sponsored by third parties, and directly to high net worth individuals and institutions resident in Ontario through separately managed accounts.

We also act as an investment fund manager for investment funds created and advised by us.

This disclosure statement is designed for investors in our funds who purchase their Units directly from us and not through another dealer and describes the relationship between us, as dealer of record, and you as a purchaser of Units of one of the funds we manage.

II) Fees and Costs

GreensKeeper acts as manager to the GreensKeeper Value Fund and certain other portfolios and handles the administrative aspects of these portfolios including appointing GreensKeeper as the investment advisor of the GreensKeeper Value Fund.

The fees earned by GreensKeeper are the management fees and performance fees charged by the manager as set out in the offering memorandum and/or Class F Agreement or Class G Agreement that was provided to you upon purchase of the units. Management and performance fees will lower your investment returns annually and the impact compounds over time. An early redemption fee of up to 5% may apply to any units redeemed within 90 days from their date of purchase. Units of the GreensKeeper Value Fund are not transferrable and redemptions require a minimum of 30 days’ prior notice.

You will indirectly bear a proportion of a fund's operating expenses (generally based on the net asset value of the units you hold in relation to the net asset value of the applicable fund, however certain fund expenses will be allocated only to certain classes or series of units if we determine that those expenses should properly be allocated only to those classes or series).

The offering memorandum also describes other costs that may be charged to the fund and the historic management expense ratio. Please speak with your contact at GreensKeeper if you require another copy of this document.

SGGG Fund Services Inc. ("**SGGG FSI**") acts as the fund administrator for the GreensKeeper Value Fund. You may also incur custodian and other related charges for safekeeping of physical certificates.

SGGG FSI also acts as GreensKeeper's third-party administrator and, under an agreement that we have entered into with them, is responsible for keeping records of all units held by investors in funds managed by GreensKeeper. These records serve as evidence of your ownership of securities.

The executing brokers, through whom fund orders are executed, will charge a commission or spread for this service. These costs are imputed into the purchase price or proceeds of the trade. In instances where orders are bundled for more than one fund, commissions are allocated on a per share basis such that each fund pays the same commission per share or in cases where a spread is charged by the executing broker, the commission is allocated on a pro-rata basis between the funds.

Fund prime brokers / custodians will also charge a fee for stock lending services on any short positions held in the fund(s).

III) Account Reporting

NBIN will provide you with written confirmation of each order that we have executed through your account. The confirmation will set out the purchase, price, volume, trade date and other significant details of the transaction. NBIN may levy additional charges if you require a physical investment certificate for your investment.

In addition, NBIN will prepare and provide you with quarterly reporting of your holdings and activities during the period. These reports will include a list of the securities held, their last reported price, the book value and market value of your holdings, any transactions since your last statement and other related information. GreensKeeper maintains its own independent records and is also responsible for monitoring and ensuring the completeness, accuracy and timeliness of the foregoing reports delivered to you by NBIN. However, we do not deliver such statements to you directly as the information that we would otherwise provide would be identical to the statements that you will receive from NBIN. Both GreensKeeper and NBIN are responsible to ensure that your statements are complete and accurate. Please contact us if you have any questions or note any inaccuracies on reports sent to you.

On an annual basis, we will directly deliver to you an Annual Fees and Compensation Report and an Investment Performance Report.

IV) Investment Risks

GreensKeeper will select securities to ensure they are in line with the investment objectives and constraints set out in the offering memorandum or IMA, as applicable. However, the actual performance of the fund(s) or your account(s) (as applicable) will be dependent on market fluctuations and other conditions that are both unpredictable and beyond the control of GreensKeeper or any other parties. Returns on your investment cannot be guaranteed.

Risks associated with the investment in the GreensKeeper Value Fund are set out in the Offering Memorandum.

V) Impact of Leverage

GreensKeeper has neither arranged for nor recommended that you borrow money in order to invest in any funds offered for sale by GreensKeeper.

If the capital you propose to invest in units of the GreensKeeper Value Fund will be partly or fully obtained from borrowed funds, this will increase your investment risk. You will be personally responsible for any losses incurred

on the borrowed funds. These amounts may have to be paid back to the lender from monies you have personally invested or from other sources.

VI) Disclosure of Conflicts

GreensKeeper is obligated to advise you of any circumstances that may create an actual or potential conflict of interest between your economic interest and those of GreensKeeper. The following is a list of potential conflicts that we have identified and steps we have taken to mitigate these:

- For most clients, GreensKeeper exclusively invests a client's money in our proprietary product - the GreensKeeper Value Fund. GreensKeeper receives compensation for portfolio management services provided to the GreensKeeper Value Fund and other funds and managed accounts managed by GreensKeeper. The fees associated with the funds offered for sale by GreensKeeper have been fully disclosed and are set out in the fund(s) offering documents. The fees associated with management of any managed accounts of Class G units are set forth in the applicable investment management agreement.
- GreensKeeper, its shareholders and individuals related to its shareholders may be considered related parties to the funds offered for sale by GreensKeeper including the GreensKeeper Value Fund. Related parties may at any given time be investors in these funds offered for sale by GreensKeeper while GreensKeeper exercises discretion over the management of the portfolio(s).
- GreensKeeper may manage the personal investment portfolios of the employees and shareholders of GreensKeeper and related persons, either directly or, through investments in the funds offered for sale by GreensKeeper. GreensKeeper's policies, to ensure a fair allocation of investment opportunities to all accounts under management, are set out under section VIII, below.
- GreensKeeper employees are allowed to operate personal trading accounts at other registered firms. GreensKeeper has adopted a personal trading policy that applies to all officers, directors and other employees with access to information regarding the portfolios. These policies are designed to reasonably prevent employees from trading in advance of orders for the portfolios under management, or trading on the basis of their knowledge of the portfolios' trading activities.

VII) Complaints and Dispute Resolution

Schedule "I" describes the dispute resolution service available to you.

VIII) Fair Allocation of Investment Opportunities

GreensKeeper may bundle orders for the portfolios under its management. Where orders have been bundled, the respective trade executions will be allocated to each respective portfolio, based on the average fill price, net of commissions. Where the entire order has not been completed, the executed volume must be allocated to each portfolio pro-rata, based on the relative size of their initial order, net of commissions. Notwithstanding the above, odd lot fills may be rounded up or down so that only normal lot amounts are allocated to each portfolio.

The executing brokers, through whom portfolio orders are executed, will charge a commission or spread for this service. These costs are imputed into the purchase price or proceeds of the trade. In instances where orders are bundled for more than one portfolio, commissions are allocated on a per share basis such that each portfolio pays the same commission per share or in cases where a spread is charged by the executing broker, the commission is allocated on a pro-rata basis between the portfolios.

Where an order is to be completed over a period of more than one day, GreensKeeper may allocate each day's execution to the portfolios, net of commissions, using the above methodology. Alternatively, GreensKeeper may ask the broker to accumulate the executions in a holding account and provide an average price and executed volume for the whole order, net of commissions. The accumulated execution will then be allocated to the portfolios, based on the relative size of their orders and on the average price, net of commissions.

The allocation of securities that have been obtained through a new issue distribution will be allocated to the portfolios under management on a pro-rata basis, similar to the method described above.

If GreensKeeper obtains a new issue allocation that is insignificant when spread across all the portfolios under its management for which the IPO is an appropriate investment, the IPO will be allocated to the portfolios on a rotational basis.

IX) Soft Dollar Disclosure

Some of the commissions that will be paid to third party brokers when executing transactions for the portfolios managed by GreensKeeper may be applied by the executing broker toward payment of products or services that GreensKeeper uses for portfolio research or, to facilitate order execution. Details on the specific brokerage arrangements and third party vendors through which the above goods and services are provided are available on request.

GreensKeeper presently uses the following process to select third party brokers and, make an initial and ongoing good faith determination that the portfolios under management receive a reasonable benefit in exchange for the commission dollars directed for payment of the above good and services.

Trades for the portfolios under management may only be executed through approved brokers. Criteria that the Chief Investment Officer may use to initially approve brokers include their reputation, competitiveness of their fee schedule, the broker's access to pools of liquidity, and the broker's experience with the type of transactions that GreensKeeper wishes to execute.

Each trade will be executed through an approved broker who is likely to provide best execution for the order.

The Chief Investment Officer will, on an annual basis, approve or re-approve selected brokers based on the quality of their trade executions, value of trading ideas presented to GreensKeeper, and the factors considered when the broker was initially approved.

GreensKeeper will also track the commission dollars paid to each approved broker to evaluate whether the amount of commission dollars paid is justified based on the value of execution and service provided, including research and product/services related to order execution. The Chief Investment Officer may re-direct the allocation of aggregate commission dollars.

For each of the goods and services set out above, GreensKeeper will maintain an accounting of commission dollars paid in the course of the year. On annual basis, the Chief Investment Officer will make a good faith determination on whether the portfolios under management are receiving a reasonable benefit from these good and services in relation to the commission dollars paid. Factors he will consider include:

- 1) Frequency of use;
- 2) Whether less expensive goods and services may reasonably be used in lieu of the good or service;
- 3) The extent to which the good or service is integral to or adds value to the portfolio management process; and
- 4) Whether the benefit of the good or service is reasonably shared between the various portfolios under management, in relation to the commission dollars that each portfolio pays towards the good or service.

X) KYC and Suitability

If you are purchasing Units directly through us (and not through another dealer), it is our obligation to determine whether the Units are a suitable investment for you having regard to your investment needs and objectives, your financial circumstances and your risk tolerances. The information we are required to collect from you is set out in **Schedule "C"**. We must also determine that our investment actions, recommendations and decisions put your interests first. As GreensKeeper primarily invests a client's money in our proprietary product (the GreensKeeper Value Fund), the suitability determination conducted by the firm and its representatives will not consider the larger market of non-proprietary products or whether those non-proprietary products would be better, worse, or equal in meeting your investment needs and objectives. Investing with GreensKeeper will not be suitable for certain people or in certain circumstances.

Beyond a determination that the investment is suitable, GreensKeeper does not purport to provide advice or guidance on your general financial needs or circumstances nor does GreensKeeper offer custody services, brokerage services, tax advice, actuarial advice or financial planning.

XI) Investment Performance Benchmarks

You may find it helpful to compare the returns from your investments against one or more relevant benchmarks (i.e. the return that you may have received had you invested in a comparable investment, or a comparison of your investment to an average or median return of a basket of comparable investments). A benchmark for an investment fund might be an index of issuers with similar investment mandates. You should be aware of the similarities and differences between the benchmark and the investment, such as the concentration/diversification of securities, industries and or markets, the impact of fees and expenses on such returns, and risks inherent in such investments and investment strategies. Should we use a benchmark comparison when reporting the performance of one of our funds, an explanation of the similarities and differences between the fund and the benchmark will be provided at that time.

XII) Your Relationship with Us

It is important that you actively participate in our relationship. In particular, we encourage you to:
